ROTTEN RABBIT

Without cutting, tearing or sticking this page in any way, fold it up so it looks like a rabbit. It must have 4 legs, 2 ears, head, body and tail.

Show it to three people, if at least two of them recognise it as a rabbit, (you are not allowed to 'hop' your rabbit or give any other clues) your detention is over

If they don't recognise it, you must unfold this paper carefully and refold it so it looks like an elephant, then show it to three people again.....
